

Bill Switching Made Simple

Easily manage all of your bills from one place. North Shore Bank now offers a digital Switch Kit, an integrated mobile deposit and bill switching feature that helps you switch your bills over from any account.

Detect Bills Instantly

Switch kit presents a consolidated view of all bills across all accounts.

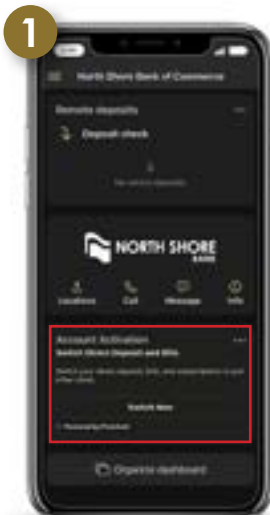

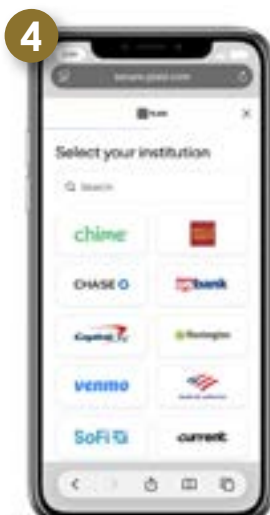

Instantly Swap ACH Payments

Switch Kit detects your larger and most important bills, allowing you to switch with ease.

Easily Switch Card-on-File

Switch your cards with a one-click switch, making bill management that much easier.

Getting Started...

- 
 - Log on to your mobile app
 - Find your **Account Activation** widget, and select **Switch Now**
- 
 - Select **Switch Bills Over**
- 
 - Select **Continue** twice to allow Plaid to link your credit or debit card bills together.
- 
 - Go through the security details needed to successfully log into Plaid.
 - Click on your institution, or add a new institution to link all bills across all accounts.

- 
 - Your bills will display in a consolidated view where you will have the ability to manage and adjust however you see fit to benefit your financial health.
